Is this an online program? ☒ Yes ☐ No

Please make sure the Program Learning Outcomes listed match those in CourseLeaf . Indicate verification here

☒ Yes, they match! (If they don't match, explain on this page under **Assessment Cycle**)

***** Please include Curriculum Map as part of this document (at the end), NOT as a separate file.**

Use this page to list learning outcomes, measurements, and summarize results for your program. Detailed information must be completed in the subsequent pages. Add more Outcomes as needed.

Program Student Learning Outcome 1: Explain impacts of traumatic experiences across the lifespan.

Instrument 1 Direct: E-portfolio completed in Integrative Seminar (SWRK 445)

Instrument 2

Instrument 3

Based on your results, check whether the program met the goal Student Learning Outcome 1.

Academic Year 2023-24 was the first year of implementation for this certificate. While the one student who completed the certificate did meet the target for success for SLO 1, a more meaningful and complete assessment report will be completed in 2024-25.

☐ **Not Met**

Program Student Learning Outcome 2: Apply theoretical perspectives on trauma-informed care across disciplines.

Instrument 1 Direct: E-portfolio completed in Integrative Seminar (SWRK 445)

Instrument 2

Instrument 3

Based on your results, check whether the program met the goal Student Learning Outcome 2.

Academic Year 2023-24 was the first year of implementation for this certificate. While the one student who completed the certificate did meet the target for success for SLO 2, a more meaningful and complete assessment report will be completed in 2024-25.

Program Student Learning Outcome 4: Create a plan to mitigate vicarious traumatization.

Instrument 1 Direct: E-portfolio completed in Integrative Seminar (SWRK 445)

Instrument 2

Instrument 3			
Based on your results, check whether the program met the goal Student Learning Outcome 1. Academic Year 2023-24 was the first year of implementation for this certificate. While the one student who completed the certificate did meet the target for success for SLO 4, a more meaningful and complete assessment report will be completed in 2024-25.		<input checked="" type="checkbox"/> Met	<input type="checkbox"/> Not Met
Assessment Cycle Plan:			
Academic Year 2023-24 was the first year of implementation for this certificate. The assessment plan developed for this program is provided below. Results will be assessed in a more complete manner in 2024-25, as only one student completed the certificate in 2023-24.			

Program Learning Outcome 1	
Learning Outcome 1:	Explain impacts of traumatic experiences across the lifespan.
Measurement Instrument(s)	E-portfolio completed in Integrative Seminar (proposed class SWRK 445)
Criteria for Student Success	80% of students will score a score of 3 or better on the rubric section addressing trauma across the lifespan.
Methods	At minimum, 20% of students enrolled in the STAIR certificate program will be assessed, (minimum of 8 students per year).

Program Learning Outcome 2	
Learning Outcome 2	Apply theoretical perspectives on trauma-informed care across disciplines.

Measurement Instrument(s)	E-portfolio completed in Integrative Seminar (proposed class SWRK 445)
Criteria for Student Success	80% of students will score a 3 or better on the rubric section addressing theory.
Methods	At minimum, 20% of students enrolled in the STAIR certificate program will be assessed, (minimum of 8 students per year).

Program Learning Outcome 3	
Learning Outcome 3	Evaluate strategies promoting resilience in response to trauma
Measurement Instrument(s)	E-portfolio completed in Integrative Seminar (proposed class SWRK 445)
Criteria for Student Success	80% of students will score a 3 or better on the rubric section addressing resilience.
Methods	At minimum, 20% of students enrolled in the STAIR certificate program will be assessed, (minimum of 8 students per year).

Program Learning Outcome 4	
Learning Outcome 4	Create a plan to mitigate vicarious traumatization.
Measurement Instrument(s)	E-portfolio completed in Integrative Seminar (proposed class SWRK 445)
Criteria for Student Success	80% of students will score a 3 or better on the rubric section vicarious trauma.
Methods	At minimum, 20% of students enrolled in the STAIR certificate program will be assessed, (minimum of 8 students per year).
