

Elementary Education Major Overview:

An elementary education major prepares students to teach children from kindergarten through sixth grade. The program focuses on child development, teaching strategies, classroom management, and curriculum design. Students learn how to create engaging lesson plans, foster a positive learning environment, and assess student progress. Graduates are prepared to work in public and private schools, or in other educational settings.

Typical Industry Sectors:

1. K-12 Education
2. Private and Charter Schools
3. Educational Consulting
4. Childcare and Early Childhood Education
5. Educational Technology

10 Sample Entry-Level Job Titles:

1. Elementary School Teacher
2. Teaching Assistant
3. Special Education Assistant
4. After-School Program Coordinator
5. Literacy Specialist
6. Substitute Teacher
7. Educational Aide
8. Childcare Worker
9. Curriculum Assistant
10. Classroom Coordinator

5 Hard Skills:

1. Lesson Planning
2. Classroom Management
3. Curriculum Development
4. Educational Assessment
5. Special Education Techniques

5 Soft Skills:

1. Communication
2. Patience
3. Adaptability
4. Problem-solving
5. Collaboration

Additional Training or Certifications:

To begin a career in elementary education, most states require a teaching certification, which typically involves completing a state-approved teacher preparation program, passing certification exams, and meeting continuing education requirements. Additional specialization certifications, such as in special education, may be needed for specific roles.

Student and National Organizations:

1. [National Education Association \(NEA\)](#)
2. [Student National Education Association \(SNEA\)](#)
3. [Association for Supervision and Curriculum Development \(ASCD\)](#)
4. [Future Educators Association \(FEA\)](#)
5. [Phi Delta Kappa International \(PDK\)](#)
