Bundle all ADED courses **Vote:** Approved bundle **1st / 2nd:** Ferrell/Dressler **Discussion:** Is this an introduction course even though it's a graduate course? Yes, it's introduction to facilitating change in adults. Focuses on the main reason why adults go through the process or learning or gaining education. Not a new course, just a refocus of sorts. On the learning outcomes can you re-word "understanding the basic concepts", meaning how do you report that? **Vote:** Approved
