<p>Motion to Discuss – 1st/2nd: Zubal/Schugart Discussion: Dr. Tassell, Currently there are two programs that are the same. She cut out and George filled in to finish explaining. Just wanting to put both programs together, really the only thing changing is the description so it’s better understood. Chelf, under admission requirements do you want to specify UG degrees only? Could be either undergraduate/graduate. <i>Friendly Amendment under admissions requirement –applicants must hold at least one of the following undergraduate or graduate degrees. Also we need to add “Student Learning Outcomes” added before it can go to Graduate Council.</i> Vote: Approved</p>
