Bundle

DPT 781 – Research in Physical Therapy I
Moved four learning outcomes from DPT 782 to DPT 781

Learning Outcomes:

- 12: Insert “, and” before ratios
- 13: Insert “space” before calibration
- 23: Insert “and” before case reports

Content Outline:

- Topic 4 & 5: second bullet is the same
- Topic 7: change appraising to appraising; insert space after and

DPT 782 – Research in Physical Therapy II
Course hours changing from 3 to 2 and appraisal of evidence course objectives were moved to DPT 781

DPT 728 – Clinical Exercise Physiology
Course hours changing from 2 to 3 to add 1 credit hour for lab component

HIST 613 – Seminar in British History
New course will cover other periods and themes in British history and replace HIST 515, which is too narrow in focus

PH 548 – Community Organizing in Public Health
Change to name, description, lecture to applied learning: alignment with accreditation competencies, to reflect applied focus change, and due to course being competency-based

PROGRAM

0012: Organizational Communication

Program revision to fix wording and update elective descriptions for non-thesis track to accurately reflect current program

0013: Physical Therapy

Courses DPT 716 and DPT 735 will be added and replace DPT 739, which is being removed. Additionally, the change in hours for DPT 728 (2 to 3) are offset by change to DPT 782 (3 to 2).

057: Business Administration

Add EGMT 520 and EGMT 655 to Interdisciplinary Concentration. Course complement other choices in concentration.

147: School Psychology

Eliminate GRE requirement and program is 100% face-to-face.

157: Social Work

Deleting GRE requirements, changing GPA requirement from last 60 hours to cumulative undergraduate GPA.

Colette - MA Social Work (157) – need to align elective language in the program to the elective choices selected by Social Work faculty for Degree Works implementation (Suggested edit – “Select 9 **SWRK** hours with advisor approval”); other advisor approved electives could still be selected via a Graduate Curriculum Exception form.
