

HYDRATION MAP

THE COLLEGE GUIDE TO STAYING HYDRATED

HILLTOPPER
NUTRITION

ABOUT THE GUIDE

Water is essential for keeping your body and mind performing at their best. Staying hydrated helps improve focus and energy during busy days of classes, studying, and campus activities. Use the map on the next page to find water refill stations across campus to help you stay hydrated.

If you're interested in learning more about your personal hydration or nutrition needs, reach out to the Registered Dietitians listed below for individualized guidance and tips. They can help you create healthy habits that fit your goals, schedule, and lifestyle.
