2024-25 STATEMENT OF REVENUES & EXPENDITURES

REQUEST:

Accept for filing the Statement of Revenues & Expenditures for the nine months ended March 31, 2025 and 2024.

FACTS:

This report is a summary of revenue versus expenses for the third quarter of fiscal year 2025.

Total revenue was \$306 million or 91% of budget. Overall, Total Revenue has increased in every category, with the most significant increases in both Net Tuition Revenue and Grants and Contracts. The total Gross Tuition and Fees were up slightly, but the reduction in Institutional Financial Assistance, resulting from improvements in the scholarship model, contributed to a 5% increase in Net Tuition Revenue. The increase in Grants and Contracts is directly related to a \$2.9 million increase in College Access Program (CAP) grants and a \$5.5 million increase in PELL grants.

Total expenses were \$279 million or 83% of budget. While Total Personnel is relatively flat compared to the prior year, the Total Direct Expenses have increased 4.3%. This increase is a result of the one-time payment associated with the Voluntary Separation Incentive Program (VSIP) and the increase in Other Financial Assistance, which is directly impacted by increases in PELL and CAP awards. Year-over-year decreases are shown in several operating categories, such as Supplies & Operating, Maintenance, and Travel.

RECOMMENDATION:

President Timothy C. Caboni recommends that the Board of Regents accept for filing the Statement of Revenues and Expenditures for the Nine Months Ended March 31, 2025 and 2024.

MOTION:

WHEREAS, Western Kentucky University, a public body corporate and an educational institution and agency of the Commonwealth of Kentucky (the "Governmental Agency"), expects to receive general revenues during the remainder of its fiscal year ending June 30, 2026 (the "2026 Fiscal Year"); and

WHEREAS, the Governmental Agency desires to provide for the borrowing of funds, if required, for the purpose of paying current expenses during the remainder of its 2026 Fiscal Year through the issuance of one or more revenue anticipation notes collectively limited in principal amount outstanding at any time to \$10,000,000, the notes to be repaid from current revenues during the remainder of its 2026 Fiscal Year, all in accordance with Sections 65.7703 to 65.7721, inclusive, of the Kentucky Revised Statutes (the "Act"); and

WHEREAS, as required by the Act, the Controller/Treasurer of the Governmental Agency, has, not more than thirty days before this date on which this Resolution is being adopted and furthermore hereby confirmed on this date, made an estimate, from budgeted revenues, of the revenues to be received during the period while such revenue anticipation notes will be outstanding and has certified that estimate by a duly executed document, attached hereto as Exhibit A (the "Collections Certificate"); and

WHEREAS, JPMorgan Chase Bank, N.A. (the "Lender"), has submitted an acceptable proposal (the "Proposal") to the Governmental Agency to provide funds as needed by the Governmental Agency during the remainder of the 2026 Fiscal Year.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF REGENTS OF WESTERN KENTUCKY UNIVERSITY, AS FOLLOWS:

- <u>Section 1</u>. <u>Preambles</u>. It is hereby found, determined, and declared that the facts, recitals, and definitions set forth in the recitals of this Resolution are true and correct and are hereby affirmed, and all acts described in the recitals of this Resolution are hereby ratified. Such facts, recitals, and definitions are hereby adopted and incorporated as a part of this Resolution.
- <u>Section 2</u>. <u>Authorization</u>. The Governmental Agency hereby authorizes the (a) execution and delivery of a Credit Agreement by and between the Governmental Agency and the Lender governing the extension of credit to be provided by the Lender to the Governmental Agency in accordance with the Act for the 2026 Fiscal Year and (b) the execution, delivery, and issuance of Revolving Credit Note or Notes thereunder (collectively, the "Notes") evidencing such

extensions of credit by the Lender to the Governmental Agency. All such notes shall comprise revenue anticipation notes under the Act. The aggregate principal amount outstanding at any one time under the Credit Agreement and all Notes payable thereunder shall not exceed \$10,000,000. The form of the Credit Agreement and the form of all Notes issued thereunder shall be in substantially the forms attached hereto as Exhibits B and C, respectively, with such changes therein not inconsistent with this Resolution and not substantially adverse to the Governmental Agency as may be approved by (i) the President, (ii) the Executive Vice President for Strategy, Operations, and Finance, or (iii) the Controller/Treasurer of the Governmental Agency (collectively, the "Designated Officers") executing the same on behalf of the Governmental Agency. The approval of such changes by the Designated Officers shall be conclusively evidenced by the execution of the Credit Agreement and such Notes by the Designated Officers.

In no event shall the aggregate sum of all principal advances borrowed and re-borrowed under the Credit Agreement and the Notes exceed \$300,750,000. The Credit Agreement shall terminate and all Notes shall mature no later than June 30, 2026 and all Notes shall bear interest, be payable, mature, and be subject to prepayment as set forth in the Credit Agreement. All Notes shall be payable to the Lender as directed by the Credit Agreement.

The form of the Notes shall pledge and grant a security interest in the current revenues of the Governmental Agency to the payment of the Note (pursuant to Section 5 herein), shall recite the valid issuance of the Note under the Act, shall prohibit personal recourse against officials of the Governmental Agency, and shall certify proper achievement of all conditions precedent to the issuance of the Note.

Section 3. Execution and Delivery. Any Notes issued by the Governmental Agency in accordance with this Resolution and the Credit Agreement shall be executed by manual or facsimile signature of a Designated Officer and duly attested by the Secretary of the Board of Regents of the Governmental Agency (the "Governing Body"). Any one of the Designated Officers are further authorized and directed to deliver such Notes to the Lender, upon the terms and conditions hereinafter and in the Proposal provided, receive the proceeds therefor from time to time, execute and deliver such certificates and other closing documents, and take such other action as may be necessary or appropriate in order to effectuate the proper issuance, sale, and delivery of the Notes.

Section 4. Filing. Any one of the Designated Officers are hereby authorized and directed to certify and deliver, together with the Credit Agreement and any Notes issued thereunder, copies of this Resolution and the Collections Certificate, the contents of which are hereby approved. Any one of the Designated Officers is hereby further authorized to undertake and cause all filings which may be required by law to be filed by the Governmental Agency with the State Local Debt Officer, if any, with respect to the issuance of the Notes.

Section 5. Subordinate Obligations. All obligations of the Governmental Agency to the Lender under the Credit Agreement and the Notes shall be unsecured and therefore subordinate to the pledge of, and security interest in, current revenues constituting General Receipts (as defined in the Trust Agreement hereinafter defined) granted for the benefit the holders of obligations issued under the provisions of a certain Trust Agreement dated as of December 1, 2006, as amended and supplemented (collectively, the "Trust Agreement"), by and between the Governmental Agency

and U.S. Bank Trust Company, National Association as successor-in-interest to U.S. Bank National Association (the "Bond Trustee").

Section 6. <u>Note Retirement Fund; Payment of Note.</u> The Lender is hereby appointed Note Retirement Fund Depositary with respect to any Notes by the Governmental Agency in accordance with the Credit Agreement.

There is hereby established with the Note Retirement Fund Depositary a note retirement fund in the name of the Governmental Agency to be known as the "Western Kentucky University Revenue Anticipation Notes, Series 2026 - Note Retirement Fund" (the "Note Retirement Fund") into which the Governmental Agency covenants to deposit, and into which the Designated Officers, acting in the additional capacity of paying agent and registrar for the Notes (the "Paying Agent and Registrar") is hereby authorized and directed to deposit, on or before the date of any interest payment, principal payment, prepayment, or maturity, as applicable, adequate amounts as necessary to pay the obligations of the Notes. The Note Retirement Fund Depositary, being the Lender, shall, without further authorization from the Governmental Agency, withdraw from the Note Retirement Fund the amounts necessary to pay principal of, and interest on, such Notes to the Lender. Notwithstanding the foregoing, so long as the Lender shall be the registered owner of any such Notes, payments by the Governmental Agency may, in lieu of deposit to the Note Retirement Fund, be made directly by the Governmental Agency to the Lender at the notice address specified in the applicable Note.

If the Governmental Agency shall fail or refuse to make any required deposit in the Note Retirement Fund, the Lender, as Note Retirement Fund Depositary: (a) shall notify any agency of the Commonwealth of Kentucky or any political subdivision thereof which may collect and distribute revenues for the Governmental Agency to seek any available necessary or proper remedial action; and (b) may exercise any remedy provided in the Act or at law or in equity for its benefit and shall disburse all funds so collected to the Lender.

Section 7. Note Retirement Fund; Investments. Any moneys in the Note Retirement Fund not required for prompt expenditure may, at the direction of the Designated Officers of the Governmental Agency and the agreement of the Lender, be invested in obligations which are permitted investments for the Governmental Agency. Any such investments or deposits shall mature or be subject to withdrawal at the option of the depositor, not later than the date upon which such moneys are required to be paid to the Lender.

Section 8. Revenue Obligation. Any Notes issued by the Governmental Agency in accordance with this Resolution and the Credit Agreement shall be a revenue obligation of the Governmental Agency. The Governmental Agency hereby covenants with the Lender that if funds are unavailable for the full payment of any such Note within the 2026 Fiscal Year, then the Governmental Agency will include the amounts necessary to pay all principal of and interest on any such Note in its budget in the fiscal year beginning July 1, 2026, to the extent then permitted by applicable law.

<u>Section 9</u>. <u>Award</u>. The extension of credit represented by the Credit Agreement and the Note or Notes issued thereunder is hereby awarded and sold by the Governmental Agency at

private sale by negotiation to the Lender in accordance with the Proposal, which, as presented at this meeting, is hereby accepted and directed to be executed by the Designated Officers.

- Section 10. Costs. All notice, filing, and legal fees properly incurred in connection with execution and delivery of the Credit Agreement and the issuance of any Notes thereunder will be paid by the Governmental Agency. The Designated Officers are hereby authorized and directed to pay all such reasonable expenses at the time of delivery of the Credit Agreement and the initial Note or Notes issued thereunder.
- <u>Section 11</u>. <u>Information to Purchaser</u>. As set forth in the Proposal, the Governmental Agency agrees to provide to Lender such documents, financial statements, and other information related to the Credit Agreement and any Notes issued thereunder and their repayment as may reasonably be required by the Lender.
- <u>Section 12</u>. <u>Resolution a Contract</u>. This Resolution, in addition to the Credit Agreement and any Notes issued thereunder, shall collectively comprise a contract between the Governmental Agency and the Lender.
- <u>Section 13</u>. <u>Inconsistent Actions</u>. All prior resolutions or parts thereof inconsistent herewith are hereby repealed.

The parties hereto agree as follows:

ARTICLE I Definitions

SECTION 1.01. <u>Defined Terms</u>. As used in this Agreement, the capitalized terms shall have the meanings specified below:

"Account" has the meaning set forth in the UCC.

"Acquisition" means any transaction, or any series of related transactions, consummated on or after the Effective Date, by which the University (a) acquires any going business or all or substantially all of the assets of any Person, whether through purchase of assets, merger or otherwise or (b) directly or indirectly acquires (in one transaction or as the most recent transaction in a series of transactions) at least a majority (in number of votes) of the Equity Interests of a Person which has ordinary voting power for the election of directors or trustees or other similar management personnel of a Person (other than Equity Interests having such power only by reason of the happening of a contingency) or a majority of the outstanding Equity Interests of a Person.

"Adjusted Term SOFR Rate" means for any Interest Period, an interest rate per annum equal to (a) the Term SOFR Rate for such Interest Period <u>plus</u> (b) 0.10%; <u>provided</u> that if the Adjusted Term SOFR Rate as so determined would be less than the Floor, such rate shall be deemed to be equal to the Floor for the purposes of this Agreement.

"Affiliate" means, with respect to a specified Person, another Person that directly, or indirectly through one or more intermediaries, Controls or is Controlled by or is under common Control with the specified Person.

"Agreement" has the meaning assigned to such term in the introductory paragraph hereof.

"Approved Borrower Portal" has the meaning assigned to it in Section 8.20(a).

"Availability Period" means the period from and including the Effective Date to but excluding the earlier of the Maturity Date and the date of termination of the Revolving Commitment (and, if such day is not a Business Day, then on the immediately preceding Business Day).

"Available Revolving Commitment" means, at any time, the Revolving Commitment <u>minus</u> the Revolving Exposure.

"<u>Bankruptcy Code</u>" means Title 11 of the United States Code entitled "Bankruptcy", as now and hereafter in effect, or any successor statute.

"Bankruptcy Event" means, with respect to any Person, when such Person becomes the subject of a voluntary or involuntary bankruptcy or insolvency proceeding, or has had a receiver, conservator, trustee, administrator, custodian, assignee for the benefit of creditors or similar Person charged with the reorganization or

liquidation of its business, appointed for it, or, in the good faith determination of the Lender, has taken any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any such proceeding or appointment or has had any order for relief in such proceeding entered in respect thereof, <u>provided</u> that a Bankruptcy Event shall not result solely by virtue of any ownership interest, or the acquisition of any ownership interest, in such Person by a Governmental Authority or instrumentality thereof, unless such ownership interest results in or provides such Person with immunity from the jurisdiction of courts within the U.S. or from the enforcement of judgments or writs of attachment on its assets or permits such Person (or such Governmental Authority or instrumentality) to reject, repudiate, disavow or disaffirm any contracts or agreements made by such Person.

The words "includes" and "including" shall be deemed to be followed by the phrase "without limitation". The Lender and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or replacement rate (including any Alternate Rate) and/or any relevant adjustments thereto, in each case, in a manner adverse to the University. The Lender may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the University

or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE II The Credits

SECTION 2.01. <u>Commitment</u>. Subject to the terms and conditions set forth herein, the Lender agrees to make Revolving Loans to the University from time to time during the Availability Period in an aggregate principal amount that will not result in the Revolving Exposure exceeding the Revolving Commitment, subject to the Lender's authority, in its sole discretion, to make Protective Advances pursuant to the terms of Section 2.04, and provided that the University may only request Revolving Loans in an aggregate amount of up to \$300,750,000 during the Availability Period. Within the foregoing limits and subject to the terms and conditions set forth herein, the University may borrow, prepay and reborrow Revolving Loans.

SECTION 2.02. Loans and Borrowings.

- (a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type. Any Protective Advance shall be made in accordance with the procedures set forth in Section 2.04.
- (b) Subject to Section 2.12, each Borrowing, if applicable, shall be comprised entirely of SOFR Loans as the University may request in accordance herewith. The Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of the Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.12, 2.13, 2.14 and 2.15 shall apply to such Affiliate to the same extent as to the Lender); provided that any exercise of such option shall not affect the obligation of the University to repay such Loan in accordance with the terms of this Agreement.
- (c) At the commencement of each Interest Period for any SOFR Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple equal to \$250,000 and not less than \$1,000,000. CBFR Borrowings may be in any amount. Borrowings of more than one Type and Class may be outstanding at the same time.
- (d) Notwithstanding any other provision of this Agreement, the University shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

SECTION 2.03. <u>Borrowing Procedures; Requests for Revolving Borrowings</u>. To request a Revolving Borrowing, the University shall submit a Borrowing Request to the Lender through an Electronic System or the Approved Borrower Portal, in each case to the extent arrangements for doing so have been approved by the Lender, not later than (i) in the case of a SOFR Borrowing, 10:00 a.m., Chicago time, three Business Days before the date of the proposed Borrowing or (ii) in the case of a CBFR Borrowing, noon, Chicago time, on the date of the proposed Borrowing.

Each such Borrowing Request shall be irrevocable and shall be signed by a Responsible Officer of the University; <u>provided</u> that, each such electronic Borrowing Request submitted through the Approved Borrower Portal, if permitted, is not required to be signed but shall be submitted by a Responsible Officer of the University or its duly

appointed designee to the Lender. Each Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of the requested Borrowing and a breakdown of the separate wires comprising such Borrowing;
 - (ii) the date of such Borrowing, which shall be a Business Day;
 - (iii) whether such Borrowing is to be a CBFR Borrowing or a SOFR Borrowing; and
- (iv) in the case of a SOFR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period."

The requested Borrowing shall be a SOFR Borrowing unless otherwise required by Section 2.12. If no Interest Period is specified with respect to any requested SOFR Borrowing, then the University shall be deemed to have selected an Interest Period of one month's duration.

SECTION 2.04. <u>Protective Advances</u>. Subject to the limitations set forth below, the Lender is authorized by the University, from time to time in the Lender's sole discretion (but shall have absolutely no obligation to), to make Loans to the University, which the Lender, in its Permitted Discretion, deems necessary or desirable (a) to enhance the likelihood of, or maximize the amount of, repayment of the Loans and other Obligations or (b) to pay any other amount chargeable to or required to be paid by the University pursuant to the terms of this Agreement, including payments of reimbursable expenses (including costs, fees, and expenses as described in Section 8.03) and other sums payable under the Loan Documents (any of such Loans are herein referred to as "<u>Protective Advances</u>"). Protective Advances may be made even if the conditions precedent set forth in Section 4.02 have not been satisfied. All Protective Advances shall be CBFR Borrowings. The making of a Protective Advance on any one occasion shall not obligate the Lender to make any Protective Advance on any other occasion.

SECTION 2.05. <u>Funding of Borrowings</u>. The Lender shall make each Loan to be made by it hereunder on the proposed date thereof available to the University by promptly crediting the amounts in immediately available funds to the Funding Account.

SECTION 2.06. Interest Elections.

- (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the University may elect to continue such Borrowing and, in the case of a SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The University may elect different options with respect to different portions of the affected Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Protective Advances, which may not be converted or continued.
- (b) To make an election pursuant to this Section, the University shall submit an Interest Election Request to the Lender through Electronic System or the Approved Borrower Portal, in each case to the extent arrangements for doing so have been approved by the Lender, by the time that a Borrowing Request would be required under Section 2.03 if the University was requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be signed by a Responsible Officer of the University; provided that, each such electronic Interest Election Request submitted through the Approval Borrower Portal, if permitted, is not required to be signed but shall be submitted by a Responsible Officer of the University or its duly appointed designee to the Lender.
- (c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

- (i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);
- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether the resulting Borrowing is to be a CBFR Borrowing or a SOFR Borrowing; and
- (iv) if the resulting Borrowing is a SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a SOFR Borrowing but does not specify an Interest Period, then the University shall be deemed to have selected an Interest Period of one month's duration.

(d) If the University fails to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall continue to be a SOFR Borrowing for the same Interest Period. Notwithstanding any contrary provision hereof, if a Default has occurred and is continuing and the Lender so notifies the University, then, so long as a Default is continuing (i) no outstanding Borrowing may be converted to or continued as a SOFR Borrowing and (ii) unless repaid, each SOFR Borrowing shall be converted to a CBFR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.07. Termination of Commitment.

- (a) Unless previously terminated, the Revolving Commitment shall terminate on the Maturity Date.
- (b) The University may at any time terminate the Revolving Commitment upon the Payment in Full of the Obligations.
- (c) The University shall notify the Lender of any election to terminate the Revolving Commitment under paragraph (b) of this Section at least five (5) Business Days prior to the effective date of such termination, specifying such election and the effective date thereof. Each notice delivered by the University pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitment delivered by the University may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the University (by notice to the Lender on or prior to the specified effective date) if such condition is not satisfied. Any termination of the Revolving Commitment shall be permanent.

SECTION 2.08. Repayment and Amortization of Loans; Collection and Application of Proceeds; Evidence of Debt.

- (a) The University hereby unconditionally promises to pay to the Lender (i) the then unpaid principal amount of each Revolving Loan on the Maturity Date, and (ii) the then unpaid amount of each Protective Advance on the earlier of the Maturity Date and demand by the Lender.
- (b) The Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the University to the Lender resulting from each Loan made by the Lender, in which the Lender shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to

become due and payable from the University to the Lender hereunder and (iii) the amount of any sum received by the Lender hereunder. The entries made in such accounts shall be <u>prima facie</u> evidence of the existence and amounts of the obligations recorded therein; <u>provided</u> that the failure of the Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the University to repay the Loans and other Obligations in accordance with the terms of this Agreement.

(c) The Loans made by the Lender will be evidenced by the Revolving Credit Note, and the Loans and interest thereon shall at all times (including after assignment pursuant to Section 8.04) be represented by the Revolving Credit Note.

SECTION 2.09. Prepayment of Loans.

- (a) The University shall have the right at any time and from time to time to prepay any Loan in whole or in part, subject to prior notice in accordance with paragraph (d) of this Section and, if applicable, payment of any break funding expenses under Section 2.14.
- (b) In the event and on such occasion that the Revolving Exposure exceeds the Revolving Commitment, the University shall, on demand, prepay the Revolving Loans in an aggregate amount equal to such excess.
- (c) All prepayments made pursuant to Section 2.09(a) shall be applied to prepay the Revolving Loans without a corresponding reduction in the Revolving Commitment.
- (d) The University shall notify the Lender by telephone (confirmed by email), through Electronic System or the Approved Borrower Portal, in each case to the extent arrangements for doing so have been approved by the Lender, of any prepayment hereunder not later than 10:00 a.m., Chicago time, (A) in the case of prepayment of a SOFR Borrowing, three Business Days before the date of prepayment, and (B) in the case of prepayment of a CBFR Borrowing, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Revolving Commitment as contemplated by Section 2.07, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.07. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.11 and (ii) break funding payments pursuant to Section 2.14.

SECTION 2.10. Fees.

- (a) The University agrees to pay to the Lender a commitment fee, which shall accrue at the rate of 0.20% per annum on the daily amount of the Available Revolving Commitment during the period from and including the Effective Date to but excluding the date on which the Revolving Commitment terminates. Accrued commitment fees shall be payable in arrears on the first Business Day of each calendar quarter and on the date on which the Revolving Commitment terminates, commencing on the first such date to occur after the date Effective Date; provided if the Effective Date occurs after the fifteenth day of the applicable calendar month, the first payment date shall be the first Business Day of the second calendar month following the Effective Date. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).
- (b) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Lender. Fees paid shall not be refundable under any circumstances.

SECTION 2.11. Interest.

- (a) The Loans comprising CBFR Borrowings shall bear interest at the CBFR <u>plus</u> the Applicable Margin.
- (b) The Loans comprising each SOFR Borrowing shall bear interest at the Adjusted Term SOFR Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Margin.
- (c) Each Protective Advance shall bear interest at the CBFR <u>plus</u> the Applicable Margin <u>plus</u> 2% per annum.
- (d) Notwithstanding the foregoing, during the occurrence and continuance of a Default, the Lender may, at its option, by notice to the University, declare that (i) all Loans shall bear interest at 4% per annum <u>plus</u> the rate otherwise applicable to such Loans as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount outstanding hereunder, such amount shall accrue at 4% per annum <u>plus</u> the rate applicable to such fee or other obligation as provided hereunder.
- (e) Accrued interest on each Loan (for CBFR Loans, accrued through the last day of the prior calendar month) shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Revolving Commitment; provided that (i) interest accrued pursuant to paragraphs (c) and (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of a CBFR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.
- (f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the CB Floating Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loans as of the applicable date of determination. The applicable Rate Indices shall be determined by the Lender, and such determination shall be conclusive absent manifest error.

SECTION 2.12. <u>Alternate Rate of Interest</u>.

- (a) Subject to clause (c) of this Section 2.12, if:
- (i) the Lender determines (which determination shall be conclusive and binding absent manifest error) prior to the commencement of any Interest Period for a SOFR Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis) for such Interest Period; or
- (ii) the Lender determines that prior to the commencement of any Interest Period for a SOFR Borrowing, the Adjusted Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to the Lender of making or maintaining its Loans included in such Borrowing for such Interest Period:

then the Lender shall give notice thereof to the University through Electronic System as provided in Section 8.01 as promptly as practicable thereafter and, until the Lender notifies the University that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a SOFR Borrowing shall be ineffective and any such SOFR Borrowing shall be repaid or converted to a CBFR Borrowing on the last day of the

then current Interest Period applicable thereto, and (B) if any Borrowing Request requests a SOFR Borrowing, such Borrowing shall be made as a CBFR Borrowing.

- (b) If the Lender determines that any Requirement of Law has made it unlawful, or if any Governmental Authority has asserted that it is unlawful, for the Lender or its applicable lending office to make, maintain, fund or continue any SOFR Borrowing, or any Governmental Authority has imposed material restrictions on the authority of the Lender to purchase or sell, or to take deposits of, dollars in the interbank offering market, then, on notice thereof by the Lender to the University, any obligations of the Lender to make, maintain, fund or continue SOFR Loans or to convert CBFR Borrowings to SOFR Borrowings will be suspended until the Lender notifies the University that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the University will upon demand from the Lender, either convert or prepay all SOFR Borrowings to CBFR Borrowings, either on the last day of the Interest Period therefor, if the Lender may lawfully continue to maintain such SOFR Borrowings to such day, or immediately, if the Lender may not lawfully continue to maintain such Loans. Upon any such conversion or prepayment, the University will also pay accrued interest on the amount so converted or prepaid.
- Notwithstanding anything to the contrary herein or in any other Loan Document (and any Swap Agreement shall be deemed not to be a "Loan Document" for purposes of this Section 2.12), if a Benchmark Transition Event occurs, Lender may, by written notice to University, amend this Agreement to establish an alternate rate of interest for the Term SOFR Rate that gives due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) the then-evolving or prevailing market convention for determining a rate of interest for business loans in Dollars at such time (the "Alternate Rate"). The University acknowledges that the Alternate Rate may include a mathematical adjustment using any then-evolving or prevailing market convention or method for determining a spread adjustment for the replacement of the Term SOFR Rate (which may include, if the Term SOFR Rate already contains such a spread, adding that spread to the Alternate Rate). The Lender may further amend this Agreement by such notice to the University to make technical, administrative or operational changes (including, without limitation, changes to the definition of "CBFR", the definition of "Interest Period", timing and frequency of determining rates and making payments of interest, the timing of prepayment or conversion notices, the length of lookback periods, the applicability of breakage provisions and other technical, administrative or operational matters) that Lender decides in its reasonable discretion may be appropriate to reflect the adoption and implementation of the Alternate Rate. The Alternate Rate, together with all such technical, administrative and operational changes as specified in any notice, shall become effective at the later of (A) the fifth (5th) Business Day after Lender has provided notice (including without limitation for this purpose, by electronic means) to the University (the "Objection Date") and (B) a date specified by Lender in the notice, without any further action or consent of the University, so long as Lender has not received, by 4:00 pm Chicago time on the Objection Date, written notice of objection to the Alternate Rate from the University. If, on the date the Term SOFR Rate actually becomes permanently unavailable pursuant to a Benchmark Transition Event, an Alternate Rate has not been established in this manner, Borrowings will, until an Alternate Rate is so established, bear interest at the CB Floating Rate. In no event shall the Alternate Rate be less than the Floor.
- (d) All determinations by Lender under this Section 2.12 shall be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.12.

SECTION 2.13. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, the Lender;

- (ii) impose on the Lender or the applicable offshore interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans hereunder; or
- (iii) subject the Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clause (b) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to the Lender of making, continuing, converting into or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by the Lender hereunder (whether of principal, interest or otherwise), then the University will pay to the Lender such additional amount or amounts as will compensate the Lender for such additional costs incurred or reduction suffered.

- (b) If the Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Lender's capital or on the capital of the Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, the Revolving Commitment of the Lender to a level below that which the Lender or the Lender's holding company could have achieved but for such Change in Law (taking into consideration the Lender's policies and the policies of the Lender's holding company with respect to capital adequacy and liquidity), then from time to time the University will pay to the Lender such additional amount or amounts as will compensate the Lender or the Lender's holding company for any such reduction suffered.
- (c) A certificate of the Lender setting forth the amount or amounts necessary to compensate the Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the University and shall be conclusive absent manifest error. The University shall pay the Lender the amount shown as due on any such certificate within 10 days after receipt thereof.
- (d) Failure or delay on the part of the Lender to demand compensation pursuant to this Section shall not constitute a waiver of the Lender's right to demand such compensation; <u>provided</u> that the University shall not be required to compensate the Lender pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that the Lender notifies the University of the Change in Law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor; <u>provided further</u> that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.
- SECTION 2.14. <u>Break Funding Payments</u>. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.09), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto or (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.07(c) and is revoked in accordance therewith), then, in any such event, the University shall compensate the Lender for the loss, cost and expense attributable to such event. A certificate of the Lender setting forth any amount or amounts that the Lender is entitled to receive pursuant to this Section shall be delivered to the University and shall be conclusive absent manifest error. The University shall pay the Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.15. Taxes.

(a) Withholding of Taxes; Gross Up. Any and all payments by or on account of any obligation of the University under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority

in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the University shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.15) the Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

- (b) <u>Payment of Other Taxes by the University</u>. The University shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Lender timely reimburse it for, Other Taxes.
- (c) <u>Evidence of Payment</u>. As soon as practicable after any payment of Taxes by the University to a Governmental Authority pursuant to this Section 2.15, the University shall deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.
- (d) Indemnification by the University. To the extent permitted by Kentucky law, and without further waiver of the University's sovereign immunity, the University shall indemnify the Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Lender or required to be withheld or deducted from a payment to the Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the University by the Lender shall be conclusive absent manifest error. Notwithstanding the foregoing, the foregoing indemnity shall not be available to the Lender to the extent that such Liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted primarily from the gross negligence, willful misconduct or fraud of Lender.
- Treatment of Certain Refunds. If the Lender determines, in its sole discretion, exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of the Lender, shall repay to the Lender the amount paid over pursuant to this Section 2.15(e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.15(e), in no event will the Lender be required to pay any amount to an indemnifying party pursuant to this Section 2.15 the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.15(e) shall not be construed to require the Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.
- (f) <u>Survival</u>. Each party's obligations under this Section shall survive the termination of the Revolving Commitment and the repayment, satisfaction or discharge of all obligations under any Loan Document (including the Payment in Full of the Obligations).
- (g) <u>Defined Terms</u>. For purposes of this Section 2.15, the term "applicable law" includes FATCA.

SECTION 2.16. Payments Generally; Allocation of Proceeds.

- (a) The University shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest, fees or of amounts payable under Section 2.13, 2.14 or 2.15, or otherwise) prior to 11:00 a.m., Chicago time, on the date when due or the date fixed for any prepayment hereunder, in immediately available funds, without setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Lender, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Lender at its offices at 10 South Dearborn Street, Floor L2, Chicago, Illinois, 60603. Unless otherwise provided for herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.
- (b) All payments received by the Lender not constituting a specific payment of principal, interest, fees or other sums payable under the Loan Documents (which shall be applied as specified by the University), or (ii) a mandatory prepayment (which shall be applied in accordance with Section 2.09), shall be applied by the Lender to the payment of the Obligations in such order as the Lender may elect in its sole discretion. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the University, or unless a Default is in existence, the Lender shall not apply any payment which it receives to any SOFR Loan of a Class, except (A) on the expiration date of the Interest Period applicable thereto or (B) in the event, and only to the extent, that there are no outstanding CBFR Loans of the same Class and, in any such event, the University shall pay the break funding payment required in accordance with Section 2.14. The Lender shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Obligations.
- (c) At the election of the Lender, all payments of principal, interest, fees, premiums, reimbursable expenses (including, without limitation, all reimbursement for fees, costs and expenses pursuant to Section 8.03), and other sums chargeable to or required to be paid by the University under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder whether made following a request by the University pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of the University maintained with the Lender. The University hereby irrevocably authorizes (i) the Lender, even if the conditions precedent set forth in Section 4.02 have not been satisfied, to make a Borrowing for the purpose of paying each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents and agrees that all such amounts charged shall constitute Loans (but such a Borrowing may only constitute a Protective Advance if it is to reimburse costs, fees and expenses as described in Section 8.03) and that all such Borrowings shall be deemed to have been requested pursuant to Sections 2.03 or 2.04, as applicable and (ii) the Lender to charge any deposit account of the University maintained with the Lender for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.
- (d) The Lender may from time to time provide the University with account statements or invoices with respect to any of the Obligations (the "<u>Statements</u>"). The Lender is under no duty or obligation to provide Statements, which, if provided, will be solely for the University's convenience. Statements may contain estimates of the amounts owed during the relevant billing period, whether of principal, interest, fees or other Obligations. If the University pays the full amount indicated on a Statement on or before the due date indicated on such Statement, the University shall not be in default of payment with respect to the billing period indicated on such Statement; <u>provided</u>, that acceptance by the Lender of any payment that is less than the total amount actually due at that time (including but not limited to any past due amounts) shall not constitute a waiver of the Lender's right to receive payment in full at another time.
- (e) Notwithstanding any other provision herein, the right of the Lender to the payment of all Obligations hereunder shall be subject at all times to the prior and superior interest in current revenues constituting General Receipts granted for the benefit of the holders of General Receipts Obligations issued under the Trust Agreement.

SECTION 2.17. <u>Indemnity for Returned Payments</u>. If after receipt of any payment which is applied to the payment of all or any part of the Obligations (including a payment effected through exercise of a right of setoff), the Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason (including pursuant to any settlement entered into by the Lender in its discretion), then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Lender. The provisions of this Section 2.17 shall be and remain effective notwithstanding any contrary action which may have been taken by the Lender in reliance upon such payment or application of proceeds. The provisions of this Section 2.17 shall survive the termination of this Agreement.

ARTICLE III Representations and Warranties

The University represents and warrants to the Lender that:

SECTION 3.01. <u>Organization; Powers</u>. SECTION 3.04. Financial Condition; No Material Adverse Change.

- (a) The University has heretofore furnished to the Lender its audited financial statements as of and for the Reference Fiscal Year, reported on by the University's Accountants. SECTION 3.06. Litigation and Environmental Matters.

- (a) There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the University, threatened against or affecting the University or any Subsidiary (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any Loan Document or the Transactions.
- (b) (i) Neither the University nor any Subsidiary has received notice of any claim with respect to any Environmental Liability or knows of any basis for any Environmental Liability and (ii) except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the University nor any Subsidiary (A) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (B) has become subject to any Environmental Liability, (C) has received notice of any claim with respect to any Environmental Liability or (D) knows of any basis for any Environmental Liability.
- SECTION 3.07. <u>Compliance with Laws and Agreements; No Default</u>. No Default has occurred and is continuing.
- SECTION 3.08. <u>Investment Company Status</u>. Neither the University nor any Subsidiary is an investment company as defined in, or subject to regulation under, the Investment Company Act of 1940.
- SECTION 3.09. <u>Taxes</u>. No Liens have been filed and no claims are being asserted with respect to any such Taxes.
- SECTION 3.10. <u>ERISA</u>. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. SECTION 3.11. Disclosure.

(a) The University has disclosed to the Lender all agreements, instruments and corporate or other restrictions to which the University or any Subsidiary is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. Neither the University nor any of its Subsidiaries is an entity deemed to hold "plan assets" (within the meaning of the Plan Asset Regulations), and neither the execution, delivery nor performance of the transactions contemplated under this Agreement, including the making of any Loan hereunder, will give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

This Section 8.03(c) shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

Subject to paragraph (d) of this Section, the University agrees that each Participant shall be entitled to the benefits of Sections 2.13, 2.14 and 2.15 (subject to the requirements and limitations therein) to the same extent as if it were the Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under Section 2.13 or 2.15, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 8.08 as though it were a Lender. If the Lender shall sell a participation, it shall, acting solely for this purpose as a non-fiduciary agent of the University, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that the Lender shall have no obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitment, Loans, or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(d) The Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of the Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; <u>provided</u> that no such pledge or assignment of a security interest shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

SECTION 8.05. <u>Survival</u>. All covenants, agreements, representations and warranties made by the University in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lender may have had notice or knowledge of any Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Revolving Commitment has not expired or terminated. The provisions of Sections 2.13, 2.14, 2.15 and 8.03 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Revolving Commitment or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 8.06. Counterparts; Integration; Effectiveness; Electronic Execution.

- (a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Lender constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Lender and when the Lender shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.
- (b) Delivery of an executed counterpart of a signature page of (i) this Agreement, (ii) any other Loan Document and/or (iii) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 8.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an "Ancillary Document") that is an Electronic Signature transmitted by facsimile, emailed .pdf or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words "execution," "signature," "delivery," and words of like import in or relating to this Agreement, any other Loan

Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by facsimile, emailed .pdf or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Lender to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (A) to the extent the Lender has agreed to accept any Electronic Signature, the Lender shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the University without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (B) upon the request of the Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the University hereby (w) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Lender and the University, Electronic Signatures transmitted by facsimile, emailed .pdf or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (x) the Lender may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of its business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (y) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or Ancillary Document, respectively, including with respect to any signature pages thereto and (z) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Lender's reliance on or use of Electronic Signatures and/or transmission by facsimile, emailed .pdf or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the University to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 8.07. <u>Severability</u>. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 8.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, the Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by the Lender or such Affiliate to or for the credit or the account of the University against any and all of the Obligations held by the Lender or such Affiliate, irrespective of whether or not the Lender shall have made any demand under the Loan Documents and although such obligations may be contingent or unmatured or are owed to a branch office or Affiliate of the Lender different from the branch office or Affiliate holding such deposit or obligated on such indebtedness. The rights of the Lender and its Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that the Lender and its Affiliates may have.

SECTION 8.09. <u>Governing Law; Jurisdiction; Consent to Service of Process; Waiver of Sovereign Immunity.</u>

(a) The Loan Documents (other than those containing a contrary express choice of law provision) shall be governed by and construed in accordance with the internal laws of the Governing State, but giving effect to federal laws applicable to national banks.

- The University hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any U.S. federal or Governing State court sitting in the Primary City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Documents, the transactions relating hereto or thereto, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may (and any such claims, cross-claims or third party claims brought against the Lender or any of its Related Parties may only) be heard and determined in the Governing State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall (i) affect any right that the Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the University or its properties in the courts of any jurisdiction, or (ii) waive any statutory, regulatory, common law, or other rule, doctrine, legal restriction, provision or the like providing for the treatment of bank branches, bank agencies, or other bank offices as if they were separate juridical entities for certain purposes, including Uniform Commercial Code Sections 4-106, 4-A-105(1)(b), and 5-116(b), UCP 600 Article 3 and ISP98 Rule 2.02, and URDG 758 Article 3(a).
- (c) The University hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.
- (d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 8.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 8.10. <u>WAIVER OF JURY TRIAL</u>. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE OR OTHER AGENT (INCLUDING ANY ATTORNEY) OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 8.11. <u>Headings</u>. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 8.12. Confidentiality. The Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and its and their directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by any Requirement of Law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors)

to any swap or derivative transaction relating to the University and its obligations, (g) with the consent of the University, (h) to holders of Equity Interests in the University, or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Lender on a nonconfidential basis from a source other than the University. For the purposes of this Section, "Information" means all information received from the University relating to the University or its business, other than any such information that is available to the Lender on a non-confidential basis prior to disclosure by the University; provided that, in the case of information received from the University after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. For the avoidance of doubt, nothing in this Section 8.12 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a "Regulatory Authority") to the extent that any such prohibition on disclosure set forth in this Section 8.12 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

SECTION 8.13. <u>Nonreliance; Violation of Law.</u> The Lender hereby represents that it is not relying on or looking to any margin stock for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, the Lender shall not be obligated to extend credit to the University in violation of any Requirement of Law.

SECTION 8.14. <u>USA PATRIOT Act</u>. The Lender is subject to the requirements of the USA PATRIOT Act and hereby notifies the University that, pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the University, which information includes the name and address of the University and other information that will allow the Lender to identify the University in accordance with the USA PATRIOT Act.

SECTION 8.15. <u>Disclosure</u>. The University hereby acknowledges and agrees that the Lender and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the University and its Affiliates.

SECTION 8.16. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to the Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB Rate to the date of repayment, shall have been received by the Lender.

SECTION 8.17. Marketing Consent. The University hereby authorizes the Lender and its affiliates, at its sole expense, and without any prior approval by the University, to include the University's name and logo in advertising, marketing, tombstones, case studies and training materials, and to give such other publicity to this Agreement as they may from time to time determine in their sole discretion. The foregoing authorization shall remain in effect unless and until the University notifies the Lender in writing that such authorization is revoked.

SECTION 8.18. No Fiduciary Duty, etc. The University acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that Lender will not have any obligations except those obligations expressly set forth herein and in the other Loan Documents and Lender is acting solely in the capacity of an arm's length contractual counterparty to the University with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the University or any other person. The University agrees that it will not assert any claim against the Lender based on an alleged breach of fiduciary duty by the Lender in connection with this Agreement and the transactions contemplated hereby. Additionally, the University acknowledges and agrees that the Lender is not advising the University as to any legal, tax, investment,

accounting, regulatory or any other matters in any jurisdiction. The University shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Lender shall have no responsibility or liability to the University with respect thereto. The University further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that the Lender, together with its affiliates, in addition to providing or participating in commercial lending facilities such as that provided hereunder, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, the Lender may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the University and other companies with which the University may have commercial or other relationships. With respect to any securities and/or financial instruments so held by the Lender or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion. In addition, the University acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that the Lender and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which you may have conflicting interests regarding the transactions described herein and otherwise. The Lender will not use confidential information obtained from the University by virtue of the transactions contemplated by the Loan Documents or its other relationships with the University in connection with the performance by the Lender of services for other companies, and the Lender will not furnish any such information to other companies. The University also acknowledges that the Lender has no obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the University, confidential information obtained from other companies.

SECTION 8.19. <u>No Energy Boycotts</u>. The Lender based on its reasonable, good faith interpretation of KRS 41.470 to 41.480, represents that it does not engage in "energy company boycotts" and will not engage in energy company boycotts during the term of this Agreement. The Kentucky State Treasurer's Office has placed the Lender's parent company JPMorgan Chase & Co. ("JPMC") on the Restricted Financial Institutions List under KRS 41.474. To the extent that the Lender and JPMC have made decisions regarding the provision or denial of services to any particular company, it has done so only with an "ordinary business purpose" as expressly permitted by KRS 41.472(c).

SECTION 8.20. Borrower Communications.

(a) The Lender and the University agree that, pursuant to procedures approved by the Lender, the University may, but shall not be obligated to, make any Borrower Communications to the Lender through an electronic platform chosen by Lender to be its electronic transmission system (the "Approved Borrower Portal").

As used in this Section 8.19, "Borrower Communications" means, collectively, any Borrowing Request, Interest Election Request, compliance certificate, notice of prepayment, or other notice, demand, communication, information, document or other material provided by or on behalf of the University pursuant to any Loan Document or the transactions contemplated therein which is distributed by the University to the Lender through the Approved Borrower Portal, in each case to the extent arrangements for doing so have been approved by the Lender.

- (b) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Lender from time to time (including, as of the Effective Date, a user ID/password authorization system), the Lender and the University each acknowledge and agree that (i) the distribution of material through an electronic medium is not necessarily secure, (ii) the Lender is not responsible for approving or vetting administrators, representatives, or contacts of the University added to the Approved Borrower Portal, and (iii) there may be confidentiality and other risks associated with such distribution. The Lender and the University each hereby approve distribution of Borrower Communications through the Approved Borrower Portal and understand and assume the risks of such distribution.
- (c) THE APPROVED BORROWER PORTAL IS PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE

BORROWER COMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER PORTAL. IN NO EVENT SHALL THE APPLICABLE PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

- (d) The University agrees that the Lender may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Lender's generally applicable document retention procedures and policies.
- (e) Nothing herein shall prejudice the right of the University to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

FORM OF REVOLVING CREDIT NOTES

(See attachment)

REVOLVING CREDIT NOTE

\$10,000,000.00 As of July 1, 2025

FOR VALUE RECEIVED, the undersigned, **WESTERN KENTUCKY UNIVERSITY** (the "University"), hereby promises to pay to the order of **JPMORGAN CHASE BANK**, **N.A.** (the "Lender"), **TEN MILLION DOLLARS** (\$10,000,000.00) or if less, the unpaid principal amount of the Revolving Loans made by the Lender to the University at the times set forth in the Credit Agreement, dated as of July 1, 2025, between the University and the Lender (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") and to pay interest from the date hereof on the principal balance of such Revolving Loans from time to time outstanding at the rate or rates and at the times set forth in the Credit Agreement, in each case at the office of the Lender as set forth in the Credit Agreement, or at such other place or other manner as the Lender may designate in writing from time to time, in lawful money of the United States of America in immediately available funds. Terms defined in the Credit Agreement are used herein with the same meanings.

The Revolving Loans evidenced by this Revolving Credit Note (this "Revolving Credit Note") are prepayable in the amounts, and under the circumstances, and their respective maturities are subject to acceleration upon the terms, set forth in the Credit Agreement. This Revolving Credit Note is subject to, and shall be construed in accordance with, the provisions of the Credit Agreement and is entitled to the benefits set forth in the Loan Documents.

The Lender is hereby authorized to record on the schedule annexed hereto, and any continuation sheets which the Lender may attach hereto, (a) the date of each Revolving Loan made by the Lender, (b) the Type and amount thereof, (c) the interest rate and Interest Period applicable to each SOFR Loan, and (d) the date and amount of each conversion of, and each payment or prepayment of the principal of, any such Revolving Loan. No failure to so record or any error in so recording shall affect the obligation of the University to repay the Revolving Loans, together with interest thereon, as provided in the Credit Agreement, and the outstanding principal balance of the Revolving Loans as set forth in such schedule shall be presumed to be correct absent manifest error.

Except as specifically otherwise provided in the Credit Agreement, the University hereby waives presentment, demand, notice of dishonor, protest, notice of protest and all other demands, protests and notices in connection with the execution, delivery, performance, collection and enforcement of this Revolving Credit Note.

THE BORROWER (AND, BY ITS RECEIPT HEREOF, THE LENDER) HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS REVOLVING CREDIT NOTE, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

This Revolving Credit Note may only be amended by an instrument in writing executed pursuant to the provisions of Section 8.02 of the Credit Agreement.

This Revolving Credit Note is issued under and pursuant to the Short-Term Borrowing Act as codified in §§ 65.7701 to 65.7721, inclusive, of the Kentucky Revised Statutes (the "Act"). The obligation evidenced hereby is a borrowing in anticipation of current revenues to be received by University during the remaining portion of the fiscal year in which this Revolving Credit Note has been issued and is to be repaid from such revenues once received.

The Lender's right of payment to this Revolving Credit Note is subject and subordinate only to the pledge of, and security interest in, current revenues constituting General Receipts (as defined in the Trust Agreement hereinafter defined) granted for the benefit of the holders of "Obligations" issued under the provisions of a certain Trust Agreement dated as of December 1, 2006, as amended and supplemented (collectively, the "Trust Agreement") between the University and U.S. Bank Trust Company, National Association, as successor-in-interest to U.S. Bank, National Association, as trustee. For purposes of this Revolving Credit Note, "Obligations" shall have the meaning provided in the Trust Agreement.

THIS REVOLVING CREDIT NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE COMMONWEALTH OF KENTUCKY.

No recourse shall be had for the payment of the principal of or the interest on this Revolving Credit Note, or for any claim based hereon, against any officer, agent or employee, past, present or future, of the University, as such, either directly or through the University, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise; all such liability of such officers, agents or employees is hereby renounced, waived and released as a condition of and as consideration for the issuance, execution and acceptance of this Note.

It is hereby certified that all acts, conditions, and things required to be done, to occur or be performed precedent to and in the issuance of this Revolving Credit Note, or in the creation of the indebtedness of which this Revolving Credit Note is evidence, have been done, have occurred and have been performed in regular and due form and manner as required by law, and that the repayment obligation represented by this Revolving Credit Note is not in excess of any constitutional or statutory limitation.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the undersigned has duly executed this Revolving Credit Note as of the day and year first written above.

APPROVAL OF THE UNIVERSITY 2026-2032 SIX-YEAR CAPITAL PLAN

REQUEST:

Approval of the University 2026-2032 Six-Year Capital Plan.

FACTS:

Western Kentucky University's 2026-2032 Six Year Capital Plan was submitted to the Capital Planning Advisory Board (CPAB) and the Council on Postsecondary Education (CPE) on April 15, 2025.

The CPAB is comprised of members representing all three branches of government and has a responsibility under KRS Chapter 7A to biennially develop a comprehensive state capital improvements plan and to make funding recommendations to each branch head as to state spending for capital projects. Additionally, CPE will review these capital spending requests and will make recommendations for Postsecondary Education to the Governor and General Assembly for the 2026-2028 biennial budget.

In the process of developing the Six-Year Capital Plan, we incorporated the priorities contained in our 2021-2031 Campus Master Plan, solicited input from units across the campus and integrated our priorities with the capital priorities for higher education as outlined by CPE. This plan places a focus on our current WKU Strategic Plan 2018-2028, Climbing to Greater Heights and emphasizes capital renewal, renovation of existing facilities and upgrading our campus infrastructure. We believe that the top priority projects are reflective of the priorities for WKU and consistent with the direction of postsecondary education in Kentucky.

RECOMMENDATION:

President Timothy C. Caboni recommends that the Board of Regents approve the 2026-2032 Six-Year Capital Plan.

MOTION:

To approve the 2026-2032 Six-Year Capital Plan for Western Kentucky University.

MESSAGE FROM THE PRESIDENT

MESSAGE FROM THE PRESIDENT

I am pleased to submit Western Kentucky University's operating budget of \$404,076,500 that begins July 1, 2025, and ends June 30, 2026. These budget plans establish the planned revenue and expenditure levels for WKU's programs and activities for the 2026 fiscal year.

Structurally Balanced Budget

This is the first structurally balanced budget without the use of one-time carry-forward funds in more than 20 years. Achieving a realigned budget took time and required deep collaboration across our university. Furthermore, WKU has achieved a balanced budget in a landscape that requires responsiveness to industry and economic pressures, including inflation, rising costs of

employee benefit programs and increasing pressures related to student enrollment. I want to thank all those who have contributed to our efforts to achieve a balanced budget, ensuring that our university continues to thrive on a firm and positive financial footing.

Budget Executive Committee

The Budget Executive Committee (BEC) is charged with making budget represents recommendations and the broader voice of faculty, staff and students in WKU's budget development process. The BEC remained well-informed throughout the budget process, and I appreciate their thoughtful recommendation prioritizing a structurally balanced budget while balancing the interests of faculty and staff. This

highlights their understanding of the university's complex budget and the importance of protecting our long-term fiscal health. The BEC recommended a 2% faculty and staff compensation pool effective January 1, 2026, which was accepted by executive leadership and is included in the budget.

Student Success

Our commitment to student success remains at the core of everything we do. Through several years of strategic, coordinated and campus-wide student success enhancements, we have seen an improvement in both the quality persistence of our enrolled students. This past year, we achieved a record fall-to-fall retention rate of 78.3% for first-time, first-year students and saw the highest fall-to-spring retention rate in the university's history with a 85.7%. return rate of This success underscores the strength of our student success initiatives and our faculty and staff's dedication to ensuring that students who begin at WKU can persist and graduate.

Capital Investments

We have continued steady progress on our campus improvement initiatives. Last fall, we dedicated the Garrett Plaza as part of our Hilltop restoration project. In April, we raised

the last beam into place on the Hilltopper Fieldhouse, which will serve as the home of Forensics, The Big Red Marching Band and Esports and will provide valuable practice and training space for WKU Athletics. In May, we unveiled renderings for the renovation of our most iconic building, Cherry Hall. And this fall, we will welcome students into the new home of our Gordon Ford College of Business - a signature addition to our campus. I have often said that a great college of business needs a great place in which to do business. This new facility is that great place and will enrich business instruction and our university in a number of important ways. With its modern, flexible and open-space interior, the building is designed to empower our students by providing access to resources that prepare them for successful careers in business, including spaces that elevate applied, handson learning. These investments represent our institutional commitment to enhancing the student experience for decades to come.

Thank you for your review of the FY 2026 budget; I am proud of our work to continue transforming lives and elevating our communities.

INTRODUCTION

INTRODUCTION

Western Kentucky University (WKU), home of the Hilltoppers, is a state-supported institution located in Bowling Green, Kentucky, the state's third most populous city. Nestled atop a scenic hill, WKU's campus is known for its beauty, welcoming atmosphere, and strong sense of community. The university plays an integral role as a regional partner, preparing students of all backgrounds to become productive, engaged, and socially responsible citizen-leaders in a global society.

With a total enrollment of approximately 16,300 students, WKU is composed of five academic colleges offering a comprehensive array of undergraduate, graduate, and doctoral programs. Through its work, WKU continues to enrich the quality of life for individuals across the region and beyond.

Two key components of the WKU strategic plan, *Climbing to Greater Heights 2018-2028* was to increase first-time, first-year (FTFY) student retention and the six-year graduation rate. The university has been working toward that goal, in part, by focusing on strategically shaping the incoming classes for several years, resulting in an improvement in the quality and persistence of enrolled students. The first-year retention rate and six-year graduation rate currently sit at record setting rates of 78.3% and 57.9%, respectively. In addition, the most recent fall 2024 undergraduate

class recorded a fall-to-spring retention rate of 85.7%, which is the highest rate since the university began tracking this statistic 15 years ago.

Resource Allocation, Management and Planning (RAMP) Budget Model

A key component of the "Our Hill" pillar in WKU's strategic plan, *Climbing to Greater Heights 2018-2028* calls for the implementation of a budget model that is sustainable, aligned with institutional priorities, and focused on student success.

In alignment with this vision, WKU's transition to the Resource Allocation, Management and Planning (RAMP) budget model was completed with the development of the FY 2023 operating budget. Unlike traditional incremental budgeting, RAMP is based on the principles of responsibility-centered management (RCM), which emphasizes decentralized decision-making, performance incentives, and financial transparency. By assigning revenue and expense ownership to academic colleges, RAMP encourages entrepreneurial thinking, collaboration, operational efficiency, and sound academic decision-making. Administered by the Provost, the model also includes a subvention fund to support internal strategic investments.

Budget Realignment Strategy

With the FY 2025 operating budget, WKU developed a budget realignment strategy to align budgeted revenues and expenditures without the use of one-time carry-forward dollars, a longstanding practice that has persisted for more than 20 years. This strategy took the form of a two-year plan, requiring approximately \$24 million in budget adjustments across FY 2025 and FY 2026.

Thanks to the diligent efforts of the Vice Presidents and Deans—who led divisional realignment strategies across the institution—and the sacrifices of every individual across campus, the FY 2026 budget is structurally balanced without the use of one-time carry-forward funds. This was achieved through several strategies:

- 7.5% unit-level budget alignment applied to unrestricted Education and General budgets.
- Reduction to the university's Transportation budget.
- Voluntary Separation Incentive Program (VSIP) offered in fall 2024 in which 57 employees participated.
- Physical plant critical needs reduction to be replaced with asset preservation funds.
- Reduction to WKU's KERS reserve due to a decline in the university's fixed pension obligation.
- Implementation of a **vacant position credit**, a common practice in governmental and higher education budgeting, which functions by budgeting an annual target credit. The target is fulfilled throughout the year by transferring a portion of lapsed salary budgets from positions that become vacant during the fiscal year.
- 13% overhead charge assessed to revenue dependent activities within support units. This
 aligns support units with the financial expectations already in place for academic colleges,
 which contribute a 13% participation fee in the RAMP budget model, and promotes financial
 equity across all sectors of the university.

Budget Governance Structure

The campus community plays a vital role in the budget planning process at WKU. Our budget development efforts reflect a comprehensive and collaborative approach, shaped by ongoing discussions among deans, support unit leaders, the Budget Executive Committee (BEC), and university executive leadership. This inclusive process ensures that decision-making considers the

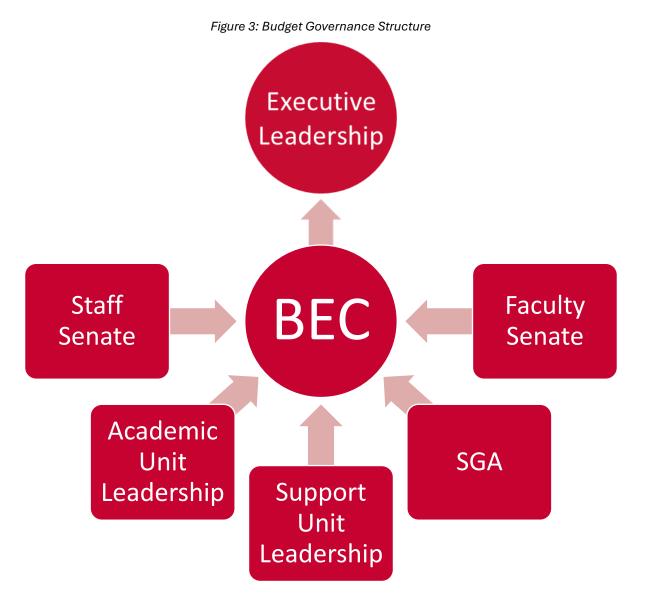

perspectives of all stakeholders, reinforcing our commitment to shared governance and transparency.

Opportunities have emerged to evaluate and refine the process as the university's budget governance structure continues to mature. In a recent effort to streamline operations, the Operating Allocation Committee (OAC) and the Budget Executive Committee (BEC) were consolidated, eliminating the duplication of efforts between the two groups. In the current fiscal year, the Capital Allocation Committee (CAC) was disbanded and its responsibilities restructured.

Figure 3 summarizes the many opportunities for the campus community to provide input into the budget development process.

The BEC includes representation from faculty, staff, and administrators, as well as members of the Faculty Senate, Staff Senate, and the Student Government Association. The committee is responsible for reviewing budget requests from support units as submitted by vice presidents and the Provost, recommending strategic funding priorities, and engaging in campus-wide outreach to gather input on resource allocation. The BEC also submits its final budget recommendations to university executive leadership.

REVENUE

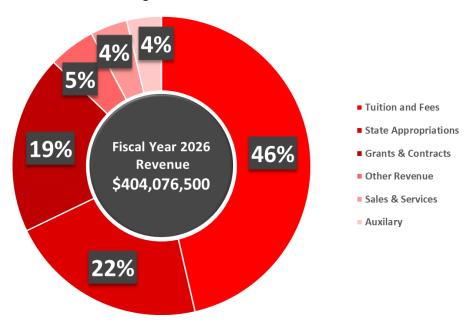

REVENUE

WKU's revenue budget for FY 2026 is \$404.1 million, an increase of \$9.8 million, or 2%, compared to FY 2025. Tuition and fees remain the largest source of revenue, accounting for 46% of the total revenue budget, followed by state appropriations, which contribute 22%.

Figure 4: FY 2026 Sources of Revenue

Tuition and Fees

WKU's primary source of revenue is tuition and fees, accounting for 46% of the university's total revenue budget. The budgeted tuition in this proposal is based on first-time, first-year student enrollment of 2,800.

The Kentucky Council on Postsecondary Education (CPE) has the statutory authority to approve tuition rates for Kentucky's public universities. In April of 2025, CPE adopted resident undergraduate tuition and mandatory fee ceilings for academic years 2025-26 and 2026-27, enabling the comprehensive universities to increase tuition rates by a maximum of \$630 over the two years and an increase of no more than \$420 in any one year. Using these guidelines, university executive leadership is recommending a 3.6% tuition rate increase for the 2025-2026 academic year.

One change for the 2025-2026 academic year is the addition of the college fee. College fees will be assessed per credit hour for the majority of courses other than dual credit, with fees ranging from \$15 to \$20 per credit hour. This change is expected to simplify billing for students, spread costs more evenly, and provide colleges with greater flexibility in addressing instruction and student support needs to best serve learning and career preparation. By adopting this approach across all colleges, WKU aims to create a more predictable and transparent cost structure while ensuring that resources are available to enhance instruction, provide hands-on learning experiences, and better prepare students for their careers.

State Appropriation

WKU's state appropriation budget for FY 2026 is \$86.9 million. The Kentucky General Assembly passed the state's biennial budget with House Bill 6 in April 2024. For FY 2026, the second year of the state's biennial budget, performance funding and direct appropriation for the Gatton Academy of Math and Science are the only changes.

Kentucky's performance funding pool is allocated to public universities based on how well each institution performs on 10 metrics. The overall performance funding pool for FY 2026 is \$115 million, an increase of \$10 million, or 9.5%, over the prior year. Although there was an increase to the overall pool, it will not be reflected as an increase to WKU. Funding allocation metrics are grouped into the following categories:

- 40% student success degree production and student progression toward a degree
- 30% course completion student credit hours earned
- 30% operational support campus operations, services, and infrastructure that support student learning and success

Grants & Contracts

Grants & Contracts revenue totals \$78 million and is increasing 7% over the prior year. The increase is due to increases in both federal Pell and state College Access Program (CAP) grants, which go directly to students for tuition reimbursement and help make college more affordable.

The budget for Other Revenue is \$20.5 million and includes transfers from the College Heights Foundation, parking permits, camps, study abroad, investment income, and other various activities. This category is increasing 12% over the prior year due to an increase in fundraising associated with the new Gordon Ford College of Business and Hilltopper Fieldhouse.

This includes season ticket sales, conference distributions, game guarantees as well as other miscellaneous revenues. A 6% decrease is budgeted over the prior year due to better aligning the current budget with actual revenue.

Figure 5: FY 2026 Expenditures

Personnel

Personnel costs are the largest expenditure category and account for 45% of the operating cost of the university. The FY 2026 salary and fringe budget is \$185.0 million which is decreased from the prior year due to the VSIP initiative as well as the new vacant position credit stemming from the budget realignment strategy.

Since 2019, WKU has prioritized employee compensation, implementing six salary increases. The BEC recommended a 2% faculty and staff compensation pool effective January 1, 2026, which was accepted by executive leadership and is included in the budget. Final decisions regarding the feasibility of this salary increase will be made in the fall once revenue projections have been reviewed. At that time, the distribution methodology will be determined through collaboration between the BEC and executive leadership.

WKU's commitment to its employees remains strong and extends well beyond salary. The university offers a comprehensive total rewards package, including salary and retirement programs, designed to attract and retain a highly talented workforce. While total fringe benefits are decreasing from the prior year due to the VSIP and the vacant position credit, it includes an increase in health insurance funding. Other benefits, such as paid time off, continue to play a key role in building a competitive total compensation package. In addition to standard holidays, employees receive paid time off during portions of both spring and fall break, as well as a four-day work week throughout the summer months.

Student Financial Aid

Student financial aid is a significant portion of the budget and is necessary to recruit and provide the ability to keep the WKU experience affordable for our students. The institution awards merit scholarships as well as other programs such as the Hilltopper Guarantee and Border State Scholarship. The President's Enrollment Council continually reviews and updates these programs to ensure that the university experience is affordable while minimizing the overall discount rate.

WKU's Department of Student Financial Assistance (SFA) will apply an estimated \$29 million in federal Pell assistance and \$11 million in state assistance from KEES. The College Access Program (CAP) is a state award provided to low-income students by the Commonwealth. These funds are essential in providing financial stability to low-income students and have shown to improve the retention rate for this population of students.

As part of the university's budget realignment strategy, additional efforts were made by each unit to reduce expenditures across all budget categories. This is particularly evident in reductions to Maintenance, Supplies & Operating, and Travel budgets. These adjustments represent meaningful progress toward the university's budget realignment goals.

It is anticipated that inflation will continue to impact operating costs. While these pressures are being closely monitored, a thorough analysis of historical spending, combined with conservative projections for future expenses, indicates that the university should remain within its allocated operating budgets.

CAPITAL BUDGET

CAPITAL BUDGET

Capital expenditures are expenditures that create assets with a multi-year life (i.e., assets that will last for more than one budget period). Capital projects are budgeted separately from the operating budget since the source of funding for capital projects is generally different from the source of funding for operating expenditures. For selected projects, there is a link between the operating budget and the capital budget. For example, the State or WKU may choose to finance capital projects, which results in a debt service or lease/purchase payment obligation in the operating budget.

Notwithstanding KRS 45.760, the governing board may authorize a capital construction project or a major item of equipment even though it is not specifically listed in any branch budget bill, subject to the following conditions and procedures:

- a. The full cost shall be funded solely by non-general fund appropriations.
- b. Moneys specifically budgeted and appropriated by the General Assembly for another purpose shall not be allotted or reallocated for expenditure on the project or major item of equipment. Moneys utilized shall not jeopardize any existing program and shall not require the use of any current general funds specifically dedicated to existing programs.
- c. The institution's president, or designee, shall submit the project or major item of equipment to the Capital Projects and Bond Oversight Committee for review as provided by KRS 45.800.

The Capital Budget includes legislatively authorized capital projects that will be under way next year or are currently under way including the source of funding, estimated cost, and the status of each respective project. Most of the following projects reflect scopes equal to legislative authorization; projects may be started at an amount less than the authorized amount based on funds availability. The total Capital Budget is \$419,288,300.

Replace Academic Complex - The project involves constructing a new facility to replace the existing Academic Complex (AC), which was initially constructed in 1967 with minimal updates. The AC currently accommodates the College of Health and Human Services and WKU Public Media. The new building will cater to both undergraduate and graduate programs, addressing the growing demands of these programs. Currently, the College of Health and Human Services is dispersed across multiple buildings, including the Academic Complex, Smith Stadium, south campus, and the Health Sciences complex at the Medical Center Hospital Campus. We will explore possibilities of consolidating some of these programs within the new facility. The upcoming facility will also serve the requirements of public media and administrative functions, while also providing space for broadcast and production facilities. These amenities will include those necessary for public radio, public television, and the Hilltopper sports network.

Asset Preservation Pool – In the 2022-2024 Budget of the Commonwealth (22 RS, HB 1), the Kentucky General Assembly authorized \$683.5 million in General Fund supported bond funds for a Postsecondary Education Asset Preservation Pool to provide funding for individual asset preservation, renovation, and maintenance projects at Kentucky public postsecondary institutions. Allocated pool funds were appropriated to institutions in both years of the biennium, with each institution receiving an appropriation for half (50%) of its allocation in 2022-23 and receiving an appropriation for the other half (50%) of its allocation in 2023-24. Western Kentucky University asset preservation pool allocation each year is \$34,040,000 for a total of \$68,080,000. The university currently has 62 active projects submitted and are eligible for reimbursement. New projects are being identified and submitted per the guidelines allowing us to manage this process strategically.
