- ii. The university does not require pedagogical faculty to engage in scholarly research; however, pedagogical faculty are encouraged to contribute to the understanding and practice of teaching and to disseminate their contributions in publications, presentations, and other forms of dissemination.

3. Rationale for amendment: The university no longer hires traditional track faculty without a terminal degree or, in certain disciplines, master's level degree with significant professional experience. For pedagogical faculty, candidates are still required to have professional experience as defined by the department to be eligible for promotion to associate professor.
