New Business: Colonnade Workgroup Update

Forsythe gave a quick update about the workgroup.

Fox asked about the timeline, Forsythe shared the workgroup should be done with review by end of Spring 25; After which they would meet with people to discuss and maybe roll out plans for change by Fall 25. Mienaltowski said it is important for the workgroup to show the hours to the students; he would also like to see the data pointing to the number of hours to graduation. He shared that students do come in with a lot of dual credit that could be an issue with the data. More discussion took place along with data.

Adjourn – 4:15 pm – 1st/2nd: Mienaltowski/Fox

Respectfully Submitted,
