

Stability Counseling and Associates LLC

Agency Name - Stability Counseling and Associates LLC

Mission Statement - To serve our clients and community partners in a way that leads to the mental, emotional, and behavioral stability that our clients deserve.

Vision Statement - To work together with the citizens and families of Henderson, Owensboro, and the surrounding areas to establish generational stability and success in all areas of life.

We are only taking MSW interns at this time

MSW intern responsibilities

- Learn service provision and documentation regulations
- Learn company policy and procedures
- Learn how to document on our electronic medical records system
- Shadowing therapists as they provide clinical services to their clients
- Co-facilitate clinical sessions with therapists
- Develop their own caseload and provide clinical services to clients
- Assess and treat various mental health disorders
